CHORUS

Colour, gift of colour
Is so beautiful
Colour, gift of colour
Is so natural
Colour, gift of colour
Make the worlds so bright
Colour, gift colour
Gonna paint your world tonight

Thank you for the colours of the rainbow
Thank you for sharing these colours with all the fish
And all the birds and all the flowers
And all that you have given us
I want to thank you

CHORUS

Colour, gift of colour
Is so beautiful
Colour, gift of colour
Is so natural
Colour, gift of colour
Make the worlds so bright
Colour, gift colour
Gonna paint your world tonight

And thank you
For the colours of the
Heaven-in-the-earth
And of the
Heaven-in-the-sky
And for sharing these colours
In the people of the world
You give us colour
As a gift, God

CHORUS

Colour, gift of colour
Is so beautiful
Colour, gift of colour
Is so natural

Colour, gift of colour
Make the world so bright
Colour, gift colour
Gonna paint your world tonight

And thank you
For the colours of the
Heaven-in-the-earth
And of the Heaven-in-the-sky
And for sharing these colours
In the people of the world
You give us colour
As a gift, God

CHORUS

Colour, gift of colour
is so beautiful
Colour, gift of colour
is so natural
Colour, gift of colour
Make the worlds so bright
Colour, gift colour
gonna paint your world tonight
