We're looking for the king, the new Messiah  
We're following the star shining brighter  
"Old man, won't you help us if you can,"  
He shook his head but he pointed his hand

There's a new kid in town  
And he's lying in a manger down the road  
There's a new kid in town  
But he's just another baby I suppose  
Heaven knows  
There's a new kid in town  
Here in Bethlehem

I see you've traveled far bearing treasures  
You say these gifts are for the new King's pleasures  
I've heard that a king might come  
But up till now there hasn't been one

There's a new kid in town  
And he's lying in a manger down the road  
There's a new kid in town  
But he's just another baby I suppose  
Heaven knows  
There's a new kid in town  
Here in Bethlehem

There's a new kid in town  
And he's lying in a manger down the road  
There's a new kid in town  
But he's just another baby I suppose  
Heaven knows  
There's a new kid in town  
Here in Bethlehem
