I've got a secret I can't keep
I've got my eyes on somethin sweet
It feels like my hearts' poundin' thru my chest
'Cause you've got a smile I can't resist
I get tounge-tied every time
you and I are close like this
girl heres my wish

(Chorus)

I wanna get to ya
I wanna be the one that moves ya
I wanna give my heart to ya
I want you so much,
girl I know just what
I've been missin'
I wanna be the one your kissin'
So open up your arms and listen
I wanna get to ya

now i'm the kinda guy who understands
a simple little thing like holdin hands
or x's and o's on love notes sent to you
straight to you
I'll make you a promise that I'll keep
I'm tellin' you right now
right here, i get down on my knees
I'll do anything

(Chorus)

I wanna get to ya
I wanna be the one that moves ya
I wanna give my heart to ya
I want you so much,
girl I know just what
I've been missin'
I wanna be the one your kissin'
So open up your arms and listen
I wanna get to ya

the way i feel
I know this love is real
baby i'm, head over heels
for you

(chorus)

I wanna get to ya
I wanna be the one that moves ya
I wanna give my heart to ya
I want you so much,
girl I know just what
I've been missin'
I wanna be the one your kissin'
So open up your arms and listen
I wanna get to ya

I wanna get to ya(x5)
