They wanna get a statement for Jesus' sake
It's like a talking to the wall
He's incommunicado no comment to make
He's saying nothing at all

Yeah, but in the communique
You know he's gonna come clean
Think what he say, say what he means
Maybe on a Monday he got something to say

Communication
Communique
Communique
[Incomprehensible]

Maybe he could talk about the tricks of the trade
Maybe he could talk about himself
Maybe he could talk about the money that he made
Maybe he'd be saying something else

But in the communique
You know he's gonna come clean
Think what he say, say what he means
Maybe on a Monday he got something to say

Communication
Communique
Communique
[Incomprehensible]

And now the rumors are flying
Speculation rising
Say that he's been trying at
Someone else's wife

Somebody at the airport
Somebody on the phone
Says he's at the station
And he's coming on the noon

Now we get the story a serious breeze
And a photograph taken in the hall

And you don't have to worry with the previous release
Right now, he's saying nothing at all

But in the communique
You know he's gonna come clean
Think what he say, say what he means
Maybe on a Monday he'll have something to say
