# "Making Movies"

Making movies on location  
In the heat of the sun  
It's a groovy occupation  
For everyone, everyone, everyone  
Action, action, making movies - take one

All the world for nothing  
Down to the corner, down to the waterline  
You tell 'em once, you tell 'em twice that you wanna  
write  
Making movies

(...)

Oh yeah! You know I'm okay

(...)

Oh yeah!  
You kind of watch them for the sideline in the sea  
If you know what I mean

(...)

Oh yeah!  
You tell 'em once, you tell 'em twice you wanna go  
Making movies

(...)

Oh yeah! If you know what I mean

(...)

Oh yeah!  
Want some action, making movies  
hold it, hold it  
take a break, take a break

(...)

It's a tricky operation
