You keep on pushin', babe  
Like I've never known before  
You know you wanna crazy, child  
An' I just wanna see you on the floor

I wanna superstitious woman  
She got a superstitious mind

I can't see you, baby  
I can't see you anymore, no more  
You keep on lovin' me  
Like I've never known before

I wanna superstitious woman  
With a superstitious, a superstitious mind  
An' I don't mind, baby, look out

My heart is beating faster, babe  
It's beating like a big bass drum  
You know you got me speeding, child  
Faster than a bullet from a gun

You're a superstitious woman  
An' I got a superstitious mind, an' I don't care

So take me down slow an' easy  
Make love to me slow an' easy  
I know that hard luck an' trouble is comin' my way

So rock me 'til I'm burned to the bone  
Rock me 'til I'm burned  
To the bone

I don't care about  
I don't care about love, no more  
The way you keep abusin' me  
Oh, I can't take no more

I wanna woman  
She got a superstitious mind

So take me down slow an' easy

Make love to me slow an' easy  
I know that hard luck an' trouble is comin' my way

So rock me 'til I'm burned to the bone  
Rock me 'til I'm burned to the bone  
Rock me 'til I'm burned

So take me down slow an' easy  
Make love to me slow an' easy  
Take me down slow an' easy  
Rock me 'til I'm burned to the bone

And take me down slow an' easy  
Make love to me slow an' easy  
I know that hard luck an' trouble is comin' my way  
So rock me 'til I'm burned to the bone

So take me down slow an' easy  
Make love to me slow an' easy  
I know that hard luck an' trouble is comin' my way  
So rock me 'til I'm burned to the bone

Rock me 'til I'm burned to the bone  
Rock me 'til I'm burned  
To the bone
