"Six Blade Knife"

Your six blade knife, do anything for you
Anything you want it to
One blade, breaking my heart
One blade, tear me apart
Your six blade knife, do anything for you

You can take away my mind
Like you take away the top of a tin
When you come up from behind
And lay it down cold on my skin

Took a stone from my soul
When I was lame
Just so you could make me tame
Yes, you take away my mind
Like you take away the top of a tin

I'd like to be free of it, baby
I don't want it no more
I'd like to be free of it now
I don't want it no more

Everybody got a knife
It can be just what they want it to be
A needle, a wife
Something that you just can't see

Six blade knife, you're strong
Yes and it'll do me wrong
Your six blade knife, do anything for you
Do anything, anything, anything
