I seen a girl on a one way corridor
Stealing down a wrong way street
For all the world like an urban toreador
She had wheels on, on her feet

Well, the cars do the usual dances
Same old cruise and the curbside crawl
But the rollergirl, she's taking chances
They just love to see her, take them all

No fear, alone at night
She's sailing through the crowd
In her ears the phones are tight
And the music's playing loud

Hallelujah, here she comes, Queen Rollerball
In an Enchante, what can I say, care at all

You know she used to have to wait around
She used to be the lonely one
But now that she can skate around town
She's the only, only one

No fear, alone at night
She's sailing through the crowd
In her ears the phones are tight
And the music's playing loud

She gets rock 'n' roll and rock 'n' roll station
And a rock 'n' roll dream
She's making movies on location
She don't know what it means

And the music make her wanna be the story
And the story was whatever was the song, what it was
Rollergirl don't worry
DJ play the movies all night long

She tortures taxi drivers just for fun
She like to read their lips
Says, "Toro, toro taxi see ya tomorrow, my son"
I swear, she let a big truck graze her hip

Ah, she got her own world in the city, yeah
You can't intrude on her, no, no, no
She got her own world in the city
The city's been so rude to her

No fears, alone at night
Sailing through the crowd
In her ears the phones so tight
And the music's playing loud

She gets rock 'n' roll and rock 'n' roll station
And a rock 'n' roll dream
She's making movies on location
She don't know what it means

But the music make her wanna be the story
And the story was whatever was the song, what it was
Rollergirl don't worry
DJ play the movies all night long, all night long

Slippin' and a-slidin'
Yeah, life's a rollerball
Slippin' and a-slidin'
Skateaway, that's all
Skateaway

Shala, shalay, hey, hey, skateaway
Now shala, shalay, hey, hey
She's singing shala, shalay, hey, hey, skateaway

Shala, shalay, hey, hey
