Oh no!

Terror shock
Terror shock
Terror shock
Terror shock

Hide your wife and kid
Repent for all the things you did
Salute to the flag
Support the fad
Don't forget to pray to god
Cuz he's the one with all of your answers

Put on the blindfold
Hide your eyes
And kiss your shitty life goodbye
Without you're all gonna die!
It's a terror scare
It's a terror scare
And people panic everywhere
But America still fucking loves you!

Terror shock
In this fucked up world
I don't care
And I won't be bothered
Terror shock
In this fucked up world
I don't care
And I won't be bothered
Terror shock
Terror shock
Terror shock
Terror shock

Hide your wife and kid
Repent for all the things you did
Salute to the flag
Support the fad
Don't forget to pray to god
Cuz he's the one with all of your answers

Put on the blindfold
Hide your eyes
And kiss your shitty life goodbye
Without you're all gonna die!
It's a terror scare
It's a terror scare

But America still fucking loves you!
