"Wicked Sick To The Gills"

Take your board out
From under your arm
Walkin' around
You mean no harm
Why don't you skate
It'll get you further
Look for the best
Ledge to murder
Rip it
Shred it
Fuck it up
Ride in front of
All the cars and trucks
Get everybody in the city pissed
Need a job?
You're full of shit!

Go!

Goin' out on a skateboard
Escaping from reality
Everything in front of me
Is all that I can see!

Wicked sick to the gills

Shit!

Gotta go
Pigs get out
It's time to leave
Make the city yours today
Society get out of the way!

Wicked sick to the gills

Goin' out on a skateboard
Escaping from reality
Everything in front of me
Is all that I can see!

Wicked sick to the gills

Take your board
From under your arm
Walkin' around
You mean no harm
Why don't you skate
It'll get you further
Look for the best
Ledge to murder!

Turn this city to shit!
