Don't be a bully,  
What have I done to you?  
Don't be a bully  
And you can fuck off too.  
You don't even know me,  
Why can't we be friends?  
I'll do anything  
Just to make amends.  
You think that I'm a coward  
Well I know that ain't true,  
If I was a coward  
I'd be just like you.  
You always have to show off,  
You always have to fight,  
If you had any intelligence  
You'd see that I am right.  
Violence don't solve nothing  
It doesn't solve a thing peace  
Is the only answer,  
Were the ones who'll win, pacifism.  
All were saying is "give peace a chance".
