You think because I'm women I'm at your beck and call  
you try to degrade me humiliate and ridicule. Your cat  
calls fall on deaf ears, you do not compliment I won't be  
at your mercy, this body's not for rent. Deaf dumb &  
male in society. Deaf dumb & male won't you listen to  
me. Deaf dumb & male its time for change. Deaf dumb  
& male 'cause things can't stay the same. You macho  
men don't thrill me, the approach you use is stale will  
you never learn I am strong I am female. We have  
come from out the kitchen the chains we've left behind  
We don't need your permission do you think we're  
blind? To boldly go where few men have rarely gone  
before stand alone stand apart from your friends you  
must ignore. But you do not surprise me, this society  
feeds you crap but when you have a daughter it'll end  
up in your lap. You can change this system by starting  
with yourself and if you change the rules the game will  
change itself.
