Beat me till I'm black  
Beat me till I'm blue  
But I'm not giving in  
To the likes of you.

Living in the sanctity of love.  
Living in the sanctuary of love.  
Living with this lunacy called love!

Nowhere left to hide.  
Nowhere left to run.  
You can't undo things  
That you've already done.

Living in the sanctity of love.  
Living in the sanctuary of love.  
Living with this lunacy called love!

Hold me to the sky.  
Bring me to my knees.  
Pretend I don't care.  
But baby don't tease.

Living in the sanctity of love.  
Living in the sanctuary of love.  
Living with this lunacy called love!

Now I've had enough,  
I'm walking through the door.  
But you can't make me stay cause  
I can't take no more!

Living in the sanctity of love.  
Living in the sanctuary of love.  
Living with this lunacy called love!
