Yeah, Dirt Nasty mother fuckers.
Check this shit out, it's like this

Yo,

First of my dick is small
3 inches hard, two little balls
When the lights are out
I stick it, in her mouth
She said I don't smoke virgina slims
I wear a rubber if it fits (shit)
But they don't make condoms for baby dicks

Maybe its, time to buy the pump
But everytime I stick my dick in I cum (Uhhhh)
And my last girlfriend was a stipper
Bitch has beef curtains,
Like throwin a hot dog down a hallway
If you want it all day, don't call me (nope)
Butchu can call me itty bitty swizzle stick
Even Mini Me started laughin at my little dick
Please lord tell me if your listenin
I'm tired of havin stage fright in the mens urinal

UGH!

Baby dick, itty bitty baby dick
Baby dick, baby baby baby dick
Baby dick, itty bitty baby dick
He gotta baby dick...

Baby dick, itty bitty baby dick
Baby dick, baby baby baby dick
Baby dick, itty bitty baby dick
He gotta baby dick...

What's worse my pops gotta purse
He a fag tranny, work as Circus Circus
And my Mom is bonin Tom
That dude from myspace dot com (shit)
And my little sis gotta bigger dick
Than me, dad and uncle rick (what)

Fuckin bitch, I wanna beat her down
But she 6 foot 3 200 pounds
Damn Grannie lost it (coo-coo)
When Grandpa came outta the closet
My balls itch from the crabs I got
I was sleepin with a crackhead hooker in watts (ugh)
My aunts doin 20 to life for rapin a nerd
Who work at good guys
So I think I'll fuck my cousin, in da mouth
Even though it smell like oragne ruffie (mm)

Baby dick, itty bitty baby dick
Baby dick, baby baby baby dick
Baby dick, itty bitty baby dick
He gotta baby dick...

Baby dick, itty bitty baby dick
Baby dick, baby baby baby dick
Baby dick, itty bitty baby dick
He gotta baby dick...
