### Verse 1

(BEARDO)

They Call me Beardo

You'd think I'd give a fuck as the trailer park hero

Drinkin' Jack Daniels

I'll be at NASCAR if you wanna tango

(Dirt nasty)

I be rangelangin' 'em up

Dirt Nasty grab the bull by the horn buck

I'm tacky as fuck

Blue cowboy boots, made outta duck

Dick

(Beardo)

Killed both my parents

(Whyd you do it beardo?) It was self Defense bitch

And I got a problem with narcotics

The CIA be watchin my apartment

(Dirt Nasty)

Take off your top bitch

I raid the cover at the orthodontist

While I beat up a handicap

Redarded dump fuck dick with a fanny pack

### Chorus

Drugz

On my mind

Drugz

All the time

Drugz

Hard to find

Drugz

On the grind

Of the 68 firebird I stole in Houston Texas

I'm addicted to Coke, 'caine,

And all types of other medication man

He made speed with a bunch of ether

I never had a Easter  
But I always had a bunch of speakers

Keep on truckin to your town on 18

Bitch clean the dishes!  
I slap ya face, Heaven you be wishin  
I heard a man wanted a fight  
He a black belt, bitch I have a buck knife

The white ski slopes in Van Nuys  
They've always been there open your eyes

(Dirt Nasty)  
I've been on more drugz than Courtney  
Love-to-stick-my-dick-in-a-hole like Porky's

Get my dick sucked in the conference with a Uz  
(Beardo)  
Well let's leave it at this  
Me and dirt nasty we fucked your bitch  
And don't say shit  
When you get your wig split  
Or your neck slit  
(Dirt Nasty)

Me and Beardo wasted
