Wake you sleepers
It's time to get dresses
Somebody's coming
So you better look your best
Cause out in the garden
There's things you hid away
But the grass has withered
And the flower's begun to fade
And there's nowhere left to hide it
Someone's sure to find it

All of the world
(All of the)
All of the world
(All of the)
All of the world
(Soon to be)
Soon to be gone
(Soon to be)
All of the world
(All of the)
All of the world
All of the world
Soon to be gone

Dear Mr. Thoughtless,
There's thing you shouldn't say
(Things you shouldn't say)
For the judge can hear you
And it soon will be the day
(Soon will be the day)
He'll bring the words you spoke
And lay them at your feet
(Lay them at your feet)
Syllables and decibels
He didn't miss a beat
(Didn't, didn't)

And we'll see what you can do
To try to buy and lie
A way outta this one, pal.
Cause the world is gonna be

Gone, gone.

All of the world
(All of the)
All of the world
(All of the)
All of the world
(Soon to be)
Soon to be gone
(Soon to be)
All of the world
(All of the)
All of the world
All of the world
Soon to be gone

We are the guilty of importance
(Playing life is hard)
We borrow daddy and the Porsche
(Stealing poorly from the farm)
But we want it
We need a chance
Right here
Or else we're just
Like everybody else
Is that wrong?

Romans and countrymen
Please lend me your ears
There's some late-breaking news
I know you'd like to hear
But the papers won't print it
And the TV's just won't air
Nobody gets the word
There's nobody there
(There's no one)

As the scales were set
And the measurements taken
Old chief left for
A Great Vacation

All of the world
All of the world
All of the world
Soon to be gone
All of the world
All of the world
All of the world
Soon to be gone

All of the world
All of the world
All of the world
Soon to be gone
All of the world
All of the world
All of the world
Soon to be gone
