Come to Me, you're weary
And I will give you rest
For the weight of the world
Bears hard upon your shoulders
Come let Me carry it awhile

Come to to Me, you're broken
And broken is the only way to come
For the cares of the world
You find will not deliver
And only I can mend a broken heart

Come find me by the river
And fill your cup
Come and drink the living waters
Of everlasting love

Look for Me by the river
And cool your feet
With a peace that lasts forever
Follow Me

Come to Me, you're tired
Of seeking things you know cannot fulfill
But in Me there is life
And life that's more abundant
Take My yoke upon you, it is light

Come find Me by the river
And fill your cup

Come and drink the living waters
Of everlasting love

Look for Me by the river
And cool your feet
With a peace that lasts forever
Follow Me

It could be like this forever
If you would let Me in
I've been waiting for your answer

Will you let Me in?

Come find Me by the river
And fill your cup
Come and drink the living waters
Of everlasting love

Look for me by the river
And cool your feet
With a peace that lasts forever
Follow Me
(It could be like this forever)
Follow Me
(It could be like this forever)
Follow Me
