If you think you're falling in love
It's gotta last forever
Like the sun that shines from above
It's gotta last forever

I don't wanna find that one day
I'm not on your mind
You'd better make it clear
Just where we go from here

I had someone love me before
It didn't last forever
From now on I gotta be shown
It's gonna last forever

If you feel the same way
That I feel for you
It's gotta last forever

It's gotta last forever
It's gotta last forever

I don't wanna find that one day
I'm not on your mind
You'd better make it clear
Just where we go from here

I had someone love me before
It didn't last forever
From now on I gotta be shown
It's gonna last forever

If you feel the same way
That I feel for you
It's gotta last forever
Forever, forever
