Holla
(Timbaland)
Uh, Timbaland and uh Dirtbag
(Timbaland)
Yea
(Timbaland)
Uh, Timbaland and uh Dirtbag, yea
(Timbaland)
Uh, huh, what?

You wanna see how we flow?
(Here we go, here we go)
Gimme dough and do a show
(Here we go, here we go)

Your guy nearly got mad
(Here we go, here we go)
Timbaland and Dirtbag on the flow
(Here we go here we go)

Yo here we go, yo here we go yo
Here we go, here we go, here we go yo
Here we go yo, here we go yo
Here we go, here we go

Call me dirty Dirty, but I shine so clean
Push birdy birdies, now I got a new scene
Me and Timmy T dropping out a limousine
While the girls fix they lipsticks, zipping their blue jeans

We sippin' that blue thing, but it feels so good
I shouldn't have another, but I thank I would
My location, conversation, relation that made me hood
The rotation of my records every second made me
good

I ain't trying to have relations, Dirt trying to wood
Strong penetration, it hurts when it's good
Should I choose you or your girl? I choose both
Call Timmy and enforce my nigga, it's time to go

You wanna see how we flow?

(Here we go, here we go)
Gimme dough and do a show
(Here we go, here we go)

Your guy nearly got mad
(Here we go, here we go)
Timbaland and Dirtbag on the flow
(Here we go here we go)

Yo here we go, yo here we go yo
Here we go, here we go, here we go yo
Here we go yo, here we go yo
Here we go, here we go

Okay, what we have here me the middle of the club
All my killas in the rear, tec is sealed
I ain't fear, we jump up in the Caddy let's peel
I know you feel excited right beside me baby chill,
okay?

You play it right everything be straight
Playa haters get jaw brokes
And I supply slips of bacon drive the block hot, we hate
cops
I'm the Hot Sauce in your hip-hop

So 'Up Jumps Tha Boogie' that bang bitch, it don't stop
Hot damn me, y'all can't handle me
I'm the first to drop the hits like DJ Caddy, yea

You wanna see how we flow?
(Here we go, here we go)
Gimme dough and do a show
(Here we go, here we go)

Your guy nearly got mad
(Here we go, here we go)
Timbaland and Dirtbag on the flow
(Here we go here we go)

Yo here we go, yo here we go yo
Here we go, here we go, here we go yo
Here we go yo, here we go yo
Here we go, here we go

Your hips, your thighs, you make me wanna ride I say
Your hips, your thighs, you make me wanna ride I'm
saying
Stomp and grind, stomp and grind, you hear me??
Stomp and grind, stomp and grind, I say

That dank, this drink, it's got me feeling high I say
That dank, this drink, it's got me feeling high I'm
saying
Sip baby sip, sip baby sip, I'm saying
Sip baby sip, sip baby sip

Uh, Dirtbag my gators'll hurt ya
It don't matter the cost, we purchase
Your girl doing us all my dawg, that's hurting
You're too slow Believing that ho a virgin

Roll out the carpet, open the curtain
Introducing Dirty, I'm bout to get this thang twurking
I'm bout to shine, I thought you known
Now check on Dirty Timmy new flow, here we go, here
we go

You wanna see how we flow?
(Here we go, here we go)
Gimme dough and do a show
(Here we go, here we go)

Your guy nearly got mad
(Here we go, here we go)
Timbaland and Dirtbag on the flow
(Here we go here we go)

Yo here we go, yo here we go yo
Here we go, here we go, here we go yo
Here we go yo, here we go yo
Here we go, here we go
