Fog matters to you and me  
But it can't touch Sherlock Holmes  
Dogs bark and he knows their breed  
And knows where they went last night  
Knows their masters, too  
Oh baby, hold me tight

Just pretend I'm Sherlock Holmes  
Spend the night with Sherlock Holmes  
Hold me tight like Sherlock Holmes

Stay, don't give me that same old act  
I can call in Sherlock Holmes  
He'll want your biography  
And pictures of you in lace  
And satin looking great  
Oh baby, hold me tight

Spend the night with Sherlock Holmes  
Hold me tight like Sherlock Holmes  
Just pretend I'm Sherlock Holmes

Do you want to have fun?  
Do you want a good time?  
Do you want me to laugh?  
Do you want me to cry?

Do you want me to dance?  
Do you want me to sing?  
Do you want me to joke?  
Should I be more like him?

I can dance like Sherlock Holmes  
I can sing like Sherlock Holmes  
But can't be Sherlock Holmes
