"Shut Up"

You say that you're leaving
But I've heard those words before
And I won't play these games
You say that your reason
Is life has got to offer more
And every days the same

And I do feel offended
Why don't you just say
What you really mean
Or

[Chorus]

Shut up, you don't love me, baby
Cause if you did, if you did
I would know
Shut up, you don't love me, baby
Cause if you did, if you did
Then it would show
Shut up, you don't love me, baby
Cause if you did, if you did

You wouldn't go

The days go by slowly
Each more painful than the last
I try to understand
I got my defenses
Up so high it's sad, but I
Have always had a man

And I guess that it's over
So

[Chorus]

I saved you, boy
You know I did
I took your crooked life
And I straightened it for you
I held you up so very high
And you cant take back what you said

Its real this time

[Chorus]
