We some dirty niggaz born to die  
However, whenever you feel that you ready to kill  
Bring it on muthafucka if you ready to fire  
And watch that pride get yo whole squad crucified  
Na Nah na nah  
2x

Now I was baptized in the blood of the devil himself  
Thats why the reason for my life is always followed by  
death  
Take hold yo breath and bust  
Till you see no legs standing up  
Showin no luv, dirty committed the world bloodiest  
massacre  
On yo whole crew  
Mafia style nigga, slicing yo esaphagus  
Dumpin yo ass in the Alabama river (and I mean that)  
You hear me, youll be 20 feet deep in yo Caprice  
Wit plenty seat back (you feel me)  
I'm considered armed and dangerous, its dem dirty  
boys  
AKA Montgomery Stranglers, keepin up that fuss  
With that stuff from Dr. Finger (kill them bitches that  
snitch)  
And that goes out to all my drug slingaz  
Throw yo guns up.. and before you bring em down let 6  
rounds bust  
Blah blow blah blow  
I'm the fear in yo imagination however lust and greed  
rolls everyday

In this whole entire nation!!

I never deny a killin so if you got that feelin  
You know where I be, just grab yo heat  
and we can let bullets just skeet, now feel me  
fuck yo pride 'cause its time to ride and if I die tell my  
folks  
that I went out live  
But nigga get real 'cause I buck to kill  
and I couldnt have it no other way  
feel you wit hollow point slugs, youll be wet up

from yo chest to yo face nigga  
what about yo bitch clique? who they killin huh  
who they burnin the shit seem lame to me  
'cause them hoes saw me and dem bitches start runnin  
but I'm buckin low nigga, and I'm bucking high nigga  
lite up the whole damn sky like the fourth of july  
wit my pistol fire  
because we brang the noise now we can play wit some  
thangs  
but I bet you they wont be toys  
bitch youll get destroyed boi boi  
now yous a goner take it how you wanna  
I'm gone off bohemian crunk yessa  
them dirty boys love to rumble 'cause we always rule  
I'm in the industry and we fin to act a fuckin fool  
Yessa!!
