Both:

Love, love is strange  
A lot of people take it for a game  
Once you've get it you never wanna quit  
After you've had it you're in a awful fix  
Many people, don't understand  
They think lovin' is money in their hand  
Your sweet lovin' is better than a kiss  
When you leave me sweet kisses I will miss

Boy: Sylvia

Girl: Yes Mickey

Boy: How do you call you're loverboy

Girl: Come here loverboy

Boy: And if he doesn't answer

Girl: Oh loverboy

Boy: And if he still doesn't answer

Girl: I simply say

Girl: Baby, oh baby, my sweet baby, you're the one

Both: Baby, oh baby, my sweet baby, you're the one
