All you have to do is touch my hand  
to show me you understand  
and something happens to me  
that's some kind of wonderful

anytime my little world is blue  
I just have to look at you  
and everything seems to be  
some kind of wonderful

I know I can't express  
this feeling of tenderness  
is so much I wanna say  
but the right words just don't come my way

I just know when I'm in your embrace  
this world is a happy place  
and something happens to me  
that's some kind of wonderful

somekind of wonderful  
somekind of wonderful, wonderful  
somekind of wonderful
