(I've Had) The Time Of My Life
Be My Baby
She's like the wind
Hungry Eyes
Stay
Yes
You don't own me
Hey Baby
Overload
Love is strange
Where are you tonight
In the still of the night

Bill Medley and Jennifer Warnes: "(I've Had) The Time
Of My Life"

Now I've had the time of my life
No I never felt like this before
Yes, I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I owe it all to you...

I've been waiting for so long,
Now I've finally found someone
To stand by me...
We saw the writing on the wall
As we felt this magical
Fantasy...

Now with passion in our eyes
There's no way we could disguise it
Secretely...
So we take each other's hand
'Cause we seem to understand
The urgency just remember...

You're the one thing
I can't get enough of
So I'll tell you something
This could be love, because...

CHORUS:

I've had the time of my life
No I never felt this way before
Yes, I swear its the truth
And I owe it all to you.

With my body and soul
I want you more than you'll ever know
So we'll just let it go
Don't be afraid to loose control.
Yes I know what's on your mind
When you say "Stay with me tonight."
Just remember:

You're the one thing
I can't get enough of
So I'll tell you something
This could be love, because...

CHORUS:

I've had the time of my life
No I never felt this way before
Yes, I swear its the truth
And I owe it all to you.

'Cause I had the time of my life
And I've searched through every open door
Till I've found the truth
And I owe it all to you

CHORUS:

Now I've had the time of my life
No I never felt this way before
Yes, I swear its the truth
And I owe it all to you!

CHORUS:

I've had the time of my life
No I never felt this way before
Yes, I swear its the truth
And I owe it all to you

Cause I've had the time of my life
And I've searched through every open door
Till I've found...

--

The Ronettes: "Be My Baby"

The night we met

I knew I needed you so
And if I had the chance
I'd never let you go
So won't you say you love me
I'll make you so proud of me
We'll make 'em turn their heads
Every place we go -
So won't you please

CHORUS:

Be my, be my baby,
Be my little baby.
My one and only baby,
Say you'll be my darling.
Be my, be my baby,
Be my baby now!
My one and only baby.

I'll make you happy, baby
Just wait and see
For every kiss you give me
I'll give you three
Oh, since the day I saw you
I have been waiting for you
You know I will adore you
Till eternity so won't you please...

CHORUS:

Be my, be my baby,
Be my little baby!
My one and only baby,
Say you'll be my darling,
Be my, be my baby,
Be my baby now!
My one and only Baby.

So come on and

CHORUS:

Be my, be my baby,
Be my little baby!
My one and only baby,
Say you'll be my darling,
Be my, be my baby,
Be my baby now!
My one and only Baby.

Oh, oh, oh, oh

CHORUS:

Be my, be my baby,

Be my little baby!
My one and only baby, Oh,
Be my, be my baby,
Oh, oh, oh, oh, oh, oh,
My one and only Baby.
Be my, be my baby,
My one and only Baby...

--

Patrick Swayze: "She's like the wind"

She's like the wind through my tree
She rides the night next to me
She leads me through the moonlight
Only to burn me with the sun
She's taken my heart
But she doesn't know what she's done!

CHORUS:

Feel her breath on my face
Her body close to me!
Can't look in her eyes
She's out of my league!
Just a fool to believe
I have anything she needs
She's like the wind...

I look in the mirror and all I see
Is a young old man with only a dream!
Am I just fooling myself
That she'll stop the pain
Living without her
I'd go insane!

CHORUS:

Feel her breath on my face
Her body close to me!
Can't look in her eyes
She's out of my league!
Just a fool to believe
I have anything she needs
She's like the wind...

Feel your breath on my face
Your body close to me!
Can't look in your eyes
You're out of my league!

Just a fool to believe
She's like the wind.

Just a fool to believe
She's like the wind.
Just a fool to believe
She's like the wind.
Just a fool to believe
She's like the wind.

--

Eric Carmen: "Hungry Eyes"

I've been meaning to tell you
I've got this feelin' that won't subside
I look at you and I fantasize
You're mine tonight
Now I've got you in my sights

CHORUS:

With these hungry eyes
One look at you and I can't disguise
I've got hungry eyes
I feel the magic between you and I

I want to hold you so hear me out
I want to show you what love is all about
Darlin' tonight
Now I've got you in my sights

CHORUS:

With these hungry eyes
One look at you and I can't disguise
I've got hungry eyes
I feel the magic between you and I

I've got hungry eyes
Now I've got you in my sights
With these hungry eyes
Now did I take you by surprise

I need you to see
This love was meant to be

I've got hungry eyes
One look at you and I can't disguise
I've got hungry eyes
I feel the magic between you and I
I've got hungry eyes
Now I've got you in my sights
With these hungry eyes
Now did I take you by surprise
With my hungry eyes

--

Maurice Williams and The Zodiacs: "Stay"

Stay
Just a little bit longer
Please, please, please, please, please
Tell me you're going to

Now your daddy don't mind
And your mommy don't mind
If we have another dance
Just one more
One more time

Oh, won't you stay
Just a little bit longer
Please let me hear
You say that you will

Stay
Won't you press your sweet lips to mine
Won't you say you love me
All of the time

Stay
Just a little bit longer
Please, please, please, please, please
Tell me you're going to

Come on, come on
Come on and stay
Come on, come on
Come on and stay
Come on, come on
Come on and stay

--

Merry Clayton: "Yes"

Drivin' around
I just can't hear a sound
'Cept my own wheels turnin'
Wastin' a day
I'm just runnin' away
From a heart that's burnin'
But I can't run forever

CHORUS:

Yes
We're gonna fall in love
And it feels so right
Yes
We're gonna make love
It's gonna be tonight

I can just imagine
Huggin' and teasin' and
Lovin' and squeezin' all night

I've made up my mind
He's gonna be mine
I'm so glad I waited
Why did I try
To figure out why
Everything can't be anticipated
I can't wait to tell him

CHORUS:

Yes
We're gonna fall in love
And it feels so right
Yes
We're gonna make love
It's gonna be tonight
I can just imagine
Huggin' and teasin' and
Lovin' and squeezin' all night

Oh yes!
I can just imagine
Huggin' and teasin' and
Lovin' and squeezin' all night

Oh yes!
We're gonna fall in love
And it feels so right
Yes
We're gonna make love
It's gonna be tonight
Yes
We're gonna fall in love
And it feels so right
Yes
We're gonna make love
It's gonna be tonight

Yes
We're gonna fall in love
And it feels so right

Baby yes...

--

The Blow Monkeys: "You don't own me"

You don't own me
I'm not just one of your many toys
You don't own me
Don't say I can't go with other boys

Don't tell me what to do
And don't tell me what to say
Please when I go out with you
Don't put me on display 'cause

You don't own me
Don't try to change me in any way
You don't own me
Don't tie me down
'Cause I'll never stay

Oh I don't tell you what to say
And I don't tell you what to do
So just let me be myself
That's all I ask of you

I'm young and I love to be young
Free and I love to be free
To live my life the way I want
To say and do whatever I please

You don't tell me what to do
And you don't tell me what to say
And please when I go out with you
Don't put me on display 'cause

Oh I don't tell you what to say baby
And I don't tell you what to do...

--

Bruce Channel: "Hey Baby"

CHORUS:
Hey, hey baby
I wanna know
If you'll be my girl

CHORUS:

Hey, hey baby
I wanna know
If you'll be my girl

When I saw you walking down the street
I said that's the kind of gal I'd like to meet
She's so pretty, lord, she's fine
I'm gonna make her mine all mine

CHORUS:
Hey, hey baby
I wanna know
If you'll be my girl

When you turned and walked away
That's when I want to say
Come on baby give me a whirl
I wanna know if you'll be my girl

CHORUS:
Hey, hey baby
I wanna know
If you'll be my girl

When you turned and walked away
That's when I want to say
Come on baby give me a whirl
I wanna know if you'll be my girl

CHORUS:
Hey, hey baby
I wanna know
If you'll be my girl

CHORUS:
Hey, hey baby
I wanna know
If you'll be my girl

--

Zappacosta: "Overload"

I can hear your heels clicking on the sidewalk
Beating to the rhythm of my heart caught up in you
You're the only one I want

I follow you home every night
Just to make sure that you get there allright
Baby it's true
Can't think of anything but you

And what I need baby
Is a little bit of sympathy

CHORUS:

You got me on my knees
I burn throughout the night
And I can't live without your love
Won't you help me cure this Overload
Won't you help me cure this Overload

Oh you got to know
You see me everywhere that you go
Doesn't that say something
Obsession's taken hold of me
Yeah, all because of you
You've got to see me through
Can't take another night alone without you
Honey it's true
I am so hung up on you

What I really need baby
Is a little of your company

CHORUS:

You got me on my knees
I burn throughout the night
And I can't live without your love
Won't you help me cure this Overload
Won't you help me cure this Overload

And what I need baby
Is a little of your sympathy

CHORUS:

You got me on my knees
I burn throughout the night
And I can't live without your love
Won't you help me cure this Overload
Won't you help me cure this Overload
Won't you help me cure this Overload
Won't you help me cure this Overload
Won't you help me cure this Overload
Won't you help me cure this Overload
Won't you help me cure this Overload

--

Mickey and Sylvia: "Love is strange"

Love

Love is strange
Lot of people
Take it for a game
Once you get it
You never wanna quit
After you've had it
You're in an awful fix

Many people
Don't understand
They think loving
Is money in the hand
Your sweet loving
Is better than a kiss
When you leave me
Sweet kisses I miss

"Sylvia!"
"Yes, Mickey?"
"How do you call your lover boy?"
"Come here, lover boy!"
"And if he doesn't answer?"
"Oh lover boy..."
"And if he still doesn't answer?"
"I simply say:
Baby, oh baby
My sweet baby, you're the one!"

Baby, oh baby,
My sweet baby, you're the one

--

Tom Johnston: "Where are you tonight"

I want to know
Where are you tonight, tonight
I want to know
Where are you tonight, tonight
I got to know
Girl I got to find you!

I look at the moon and a single star
It's making me crazy wondering where you are
I reach out and touch that heavenly face
Open my hand there's an empty space
Oh no, where are you tonight, tonight
I've got to know
Where are you tonight

The sink and the dishes spent the weekend there

Should clean up the place but I just don't care
Tonight I'll be taking to the moon and that star
Maybe they'll tell me where on earth you are

Oh no, where are you tonight, tonight
I got to know
Where are you tonight

Please believe me when you leave me
Keeps me worrying through the night
Worry baby, makes me crazy
Can't tell wrong from right
Come to me tonight

I want to know
Where are you tonight, tonight
I got to know
Where are you tonight

Don't you hear me calling through to you baby
Where are you tonight, tonight
I got to know
Where are you baby

Where are you tonight, tonight
I got to know
Where are you tonight

Baby, baby...

--

The Five Satins: "In the still of the night"

In the still of the night
I held you, held you tight
'Cause I love, love you so
Promise I'll never let you go
In the still of the night

I remember that night in May
The stars were bright above
I'll hope and I'll pray
To keep your precious love

Well before the light
Hold me again with all your might
In the still of the night

So before the light
Hold me again with all of your might

In the still of the night
In the still of the night
