Drivin' around  
I just can't hear a sound  
'Cept my own wheels turnin'  
Wastin' a day  
I'm just runnin' away  
From a heart that's burnin'  
But I can't run forever

CHORUS:

Yes  
We're gonna fall in love  
And it feels so right  
Yes  
We're gonna make love  
It's gonna be tonight  
I can just imagine  
Huggin' and teasin' and  
Lovin' and squeezin' all night

I've made up my mind  
He's gonna be mine  
I'm so glad I waited  
Why did I try  
To figure out why  
Everything can't be anticipated  
I can't wait to tell him

CHORUS
