Kellermans we come together singing all as one

We have shared another seasons talent, play and fun

Summer days will soon be over, soonly autumn starts

And tonight our memories visper softly in our hearts

Join hands and hearts and voices

Voices, hearts and hands

At Kellermans the friendships last long

As the mountains stand

Daytime, nighttime, any hour whether rain or shine

Games and lectures, talks and music happily combine

Join hands and hearts and voices

Voices, hearts and hands

At Kellermans the friendships last long

As the mountains stand

Not a stress or strain is found here for it must be said

Here at Kellerman's you gladened, stomach, heart and head

Join hands and hearts and voices

Voices, hearts and hands

At Kellermans the friendships last long

As the mountains stand

For our heads require value song is my prestine

But the heart needs a vacation where no cares are
seen

So lets join in just one last chorus,

Visitors, staff and guests.

What we've shared won't be forgotten,

Old friends are the best.

Join hands and hearts and voices

Voices, hearts and hands

At Kellermans the friendships last long

As the mountains stand

Join hands and hearts and voices

Voices, hearts and hands

At Kellermans the
