She's like the wind to my dreams
She rides tonight next to me
She leads me to moonlight, only to burn me in the sun
She's taking my heart, she doesn't know what she does

I feel her breath in my face
Her body close to me, can't look in her eyes
She's out of my live just too fool to believe
I'm anything she needs, she's like the wind

I look in the mirror and all I see
Is the young, old man with only a dream
Am I just fool in myself? It's just stop the pain
Living without her, I go insane

I feel her breath in my face
Her body close to me, can't look in her eyes
She's out of my live, just too fool to believe
I'm anything she needs, she's like the wind

I feel your breath in my face
Your body close to me
Can't look in your eyes
You're out of my live

Just too fool to believe
(Just too fool to believe)
She's like the wind
(Just too fool to believe)

Just too fool to believe
(She's like the wind)
Just too fool to believe
(Just too fool to believe)

She's like the wind
(Just too fool to believe)
Just too fool to believe
She's like the wind
(Just too fool)

She's like the wind

She's like the wind
Just too fool
She's like the wind
(Just too fool)
