

Ablaze My Sorrow

"Portal Of Madness"

Through Gateways Of Dreams, Enter The Unknown
Realms
Passages To Another Time Where I Submit My Ways.
Conqueror Bringer Of Shame, Master Of Many Names
He
Who Speaks In Many Tongues, Why Is This, Time Will
Tell

Escaping To A Primitive Landscape, Complex
Structures
Of A Vast New Race, Darkening Thoughts Of Mortal
Emission, Conquest Of Life Total Submission
Tears That Fall From My Eyes, Like Liquid Fire Burning
So Bright The Unconscious Mind Is Here To Witness,
Psychotic Trips Through A Portal Of Madness

Supernatural Beings From An Unknown Void,
Surpassing
Through Our Bodily Origins In A Microscopic Form,
Tales Of Terror Which You'll Hear Reveals Your Vivid
Imagination Of Specters You Will Fear

Falling So Fast Cause Your So Blind, Things Of The
Past Will Come To Mind Catch Yourself Before You Die
Or Forever, Eternally Reign In This Time

Force Without Form, Come To Light
Travel Along A Spiral Trace Into The Darken Skies
Burn The Fleas That Plague With Disease, Torture
Representatives Of Humanity,
No Where To Run You Try To Leave, Come Out Of The
Dream, Running Towards The Light Of Reality, Your
Quickly Slipping Away

I Run Towards The Light,
The Door Is Closing Fast Battling These Dregs Of Hate,

They Submit My Fate Tearing At My Emotions, I Feel The
Pain
Skin Is Stripped Away, Oh Please Help Me

Feeble One, Now In My Dominion, I Eternally Damn Thee
Through Gateways Of Dreams, Entered The Unknown
Hell
Passed Away In A Moment Of Time, Now Your Forever
Lost.
