Our love is unconditional
We knew it from the start
I can see it in your eyes
You can feel it from my heart
From here on after
Let's stay the way we are right now
And share all the love and laughter
That a lifetime will allow

I cross my heart
And promise to
Give all I've got to give
To make all your dreams come true
In all the world
You'll never find
A love as true as mine

You will always be the miracle
That makes my life complete
And as long as there's still breath in me
I'll make yours just as sweet
As we look into the future
It's as far as we can see
So let's make each tomorrow
Be the best that it can be

I cross my heart
And promise to
Give all I've got to give
To make all your dreams come true
In all the world
You'll never find
A love as true as mine

And if along the way we find a day
It starts to pour
You've got the promise of my love
To keep you warm
