Oh, the time has come you're tellin' me goodbye
I know I can't stop lovin' you if I tried
I've had too many chances now I'll have to set you free
I watched you go, too late I know, how much you mean
to me
Yes, I miss you already, don't know how I'll go on
Oh, I miss you already, and you're not even gone
So kiss me once again and please don't cry
I promise there'll be no more alibis
I'll have to find myself a way to face this lonely day

I watched you go, too late I know, I've lost my
happiness
So kiss me once again and please don't cry
I promise there'll be no more alibis
I'll have to find myself a way to face this lonely day
I watched you go, too late I know, I've lost my
happiness
Yes, I miss you already, don't know how I'll go on
Oh, I miss you already, and you're not even gone
