Did you hear that lonesome whippoorwill  
He sounds too blue to fly  
The midnight train is whining low  
I'm so lonesome I could cry

Did you ever see a night so long  
When time goes crawling by  
The moon just went behind the cloud  
And I'm so lonesome I could cry

Did you ever see a robin weep  
When leaves begin to die  
That means he's lost the will to live  
And I'm so lonesome I could cry

The silence of a falling star  
Lights up a purple sky  
And as I wonder where you are  
I'm so lonesome I could cry

Yea, I could cry  
I could cry, I could cry  
I could cry, Oh, I could cry  
I could cry
