This can not go on  
I'll end it somehow  
Each time it gets worse  
Like a scene we've rehearsed  
I can picture it now  
I'll look in your eyes  
Then turn away  
I'll struggle for the words  
Barely be heard  
As softly I say

You'd better go  
Just go oh oh  
I don't need these memories  
They tear at me  
And lay me so low  
You'd better go  
Just go oh oh  
You'd better go  
You'd better go  
Just go

I was finding myself  
Trying to mend  
I was holding my own  
Surviving alone  
'Til you came again  
Now passions run high  
And time has a goal  
Back to together at last  
Like a page from the past  
Oh your eyes  
How they glow

You'd better go  
Just go oh oh  
I don't need these memories  
They tear at me  
And lay me so low  
You'd better go  
Just go oh oh

You'd better go  
You'd better go  
Just go

You'd better go oh  
You'd better go
