Buckerlin buckerlin buckerlin over and over and  
I didn't mean to listen in, I didn't mean to listen in.  
Holding your stomach in  
Breaking promises  
Breaking bread over wine  
It's alright it's fine  
And it's all in your mind

Husterlin husterlin husterlin over and over and  
I didn't mean to listen in, I didn't mean to listen in.  
Holding your stomach in  
Breaking promises  
Breaking bread over wine  
It's alright it's fine  
And it's all in your mind

Chorus:  
I always said I always would  
Meet you in hollywood  
I always said I always knew  
That I would never meet with you.

Buckerlin buckerlin buckerlin over and over and  
I didn't mean to listen in, I didn't mean to listen in.  
Playing your part in this art  
And hopefully making a start  
In life when the things that you like  
Are taken from you in the night.

Husterlin husterlin husterlin over and over and  
I didn't mean to listen in, I didn't mean to listen in.  
Playing your part in this art  
And hopefully making a start  
In life when the things that you like  
Are taken from you in the night.

Chorus:  
I always said I always would  
Meet you in hollywood  
I always said I always knew  
That I would never meet with you.
