Be my neighbor
I never sweat when I'm
Be my neighbor
I feel much better when I'm
Be my neighbor
I never sweat when I'm
Be my neighbor
I feel much better when I'm
Be my neighbor
I never sweat it when I'm
Be my neighbor
I never sweat it
Well I just got out the water and I'm late for school I
asked dirty to skip and said that's cool so I grabbed up
on my skate and we went to get a magnum I said fuck it
make the grade graduation I don't have it and now its 3
years later and I still haven't walked I used to get
kicked out of class now I get paid for when I talk and
you can jump on my streets that I come from beach I
now that you're pissed cuz you didn't make this beat
and I know you don't like me but I know you like my flow
I know you don't like me cuz I say dude and bro lot of
rappers talk bout things they don't know how to do
drugs have sex get drunk and rock a show I love
coming home cuz its always so wonderful cuz when
your in your neighborhood your much more
comfortable.
Be my neighbor
I never sweat when I'm
Be my neighbor
I feel much better when I'm
Be my neighbor
I never sweat when I'm
Be my neighbor
I feel much better when I'm

Be my neighbor
I never sweat it when I'm
Be my neighbor
I never sweat it
Went out of my way your feeling alone as a distance
pressures away you could be home where I fit in. I'm

reminiscing about the days were we didn't care two
dirty kids with no shoes and long hair no car but front
porch and two chairs no place to go no way to get there
These Cali woman be the best I've seen be the best I've
seen be the best I've seen Cali weed be the brightest
green be the brightest green be the brightest green.
Be my neighbor
I never sweat when I'm
Be my neighbor
I feel much better when I'm
Be my neighbor
I never sweat when I'm
Be my neighbor
I feel much better when I'm
Be my neighbor
I never sweat it when I'm
Be my neighbor
I never sweat it
Move move move move
Let the beat dra let the beat droop
Be my neighbor
I never sweat when I'm
Be my neighbor
I feel much better when I'm
Be my neighbor
I never sweat when I'm
Be my neighbor

Be my neighbor
