No I can't, well I can't take my eyes off of you

4 to 9, 9 to 4

I take you baby, we're out on the floor

I get you 9 tonight again

And I use it when I can

A shimmy, shimmy coco

Gimme, gimme more of, more of what you got for me

I gotta let you let you know it every night

Yes you make me see

But I can't take my eyes off of you

No matter what I wanna do

Well I can't take my eyes off of you

Your money's late and you're crazy with me

Yes I know you've been told so before

I get it up, yes my cash flow is down

And I help you out the door

But I can't take my eyes off of you

No matter what I wanna do

No I can't take my eyes off of you

I think about you all the time

I think about the day you will be mine

You make me feel alright

I think about you every night

But I can't take my eyes off of you

No matter what I wanna do

Well I can't take my eyes off of you

Well I can't take my eyes off of you

No matter what I wanna do

But I can't take my eyes off of you, oh no

Well I can't take my eyes off of you

No matter what I wanna do

But I can't take my eyes off of you

I know well I can't, well I can't  
No I can't, no I can't, no I can't  
Take my eyes off of you  
Well I can't take my eyes off of you
