New York
Sydney
Pairs
London (x2)

These are a few of my favorite things

I was there for you when my heart turned blue
Love was so untrue
Whats the use you got me
And we go around and around
Whats the price tag now
So the dream for fools
I had to
For me and you

She said I want your love I want your love
(You're all I want)
Blue bottle love I'll start it up
(You're all I need)
That runway love can't get enough
[!]

These are a few of my favorite things

New York

Sydney
(Ladies and gentlemen)

Pairs
(We'd like you to fasten your seat belt now)

London
(And prepare for take off)

New York
(We're about to take you to)

Sydney
(a place you've never been before)

These are a few of my favorite things

We drive [?] tears just to meet me here
Now IÃfÂçâ, -Â™ m lost
Unclear
Angel eyes say goodbye
And we go around and around
Whats the price tag now
So the dream for fools
I brought you
For me and you

She said I want your love I want your love
(YouÃfÂçâ, -Â™ re all I want)
Blue bottle love IÃfÂçâ, -Â™ ll start it up
(YouÃfÂçâ, -Â™ re all I need)
That runway love canÃfÂçâ, -Â™ t get enough
