Hot & Heavy, Hot & Heavy, Hot & Heavy

I'm looking at her and shes looking at me(shes so ready)

My satisfaction is her guarantee(hot and heavy)

I'm turning it on, so shes taking it off (shes so ready)

turn up the heat before we get caught (hot and heavy)

Up, down, and all around i said HEY!

come on and give it to me

Chorus

Hot and heavy (she needs it)

Hot and heavy (she loves it)

Hot and heavy (hot and heavy)

Hot and heavy (she needs it)

Hot and heavy (she loves it)

Hot and heavy (hot and heavy)

She knows how to touch me she knows how to please (shes so ready)

Showing me things I've never seen(hot and heavy)

I turn up the heat cause shes liking it hot (shes so ready)

Shes so good with all shes got(hot and heavy)

Up, down, and all around i said HEY!

come on and give it to me

Chorus
