Thirty-five dollars and a six pack to my name
Spent the rest on beer so whos to blame
I know it'll be ok
I get a six pack in me, alright!

They say I'm fucked up all the time
What they do is a waste of time
I know it'll be ok
I get a six pack in me, alright!

Senlaboreco che a rekordo alta
Popolo veni, popolo iri, popolo nask al morti
Nask al morti nask al morti

I was born with a bottle in my mouth
Now I got a six so I'll never run out
I know it'll be ok
I got a six pack in me alright!

Senlaboreco che a rekordo alta
Popolo veni, popolo iri, popolo nask al morti
Nask al morti nask al morti

Thirty-five dollars and a six pack to my name
Spent the rest on beer so who is to blame
I know it'll be ok
