I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now
You're gonna wanna hold me
Just like I've always told you
You're gonna miss me when I'm gone

Nobody here will ever find me
But I will always be around
Just like the songs I leave behind me
I'm gonna live forever now

You fathers and you mothers
Be good to one another
Please try to raise your children right
Don't let the darkness take 'em
Don't make 'em feel forsaken
Just lead 'em safely to the light

When this old world is blown us under
And all the stars fall from the sky
Remember someone really loves you
We'll live forever you and I

I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now

I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now

I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now

I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now

I'm gonna live forever now
I'm gonna live forever now

I'm gonna live forever now
I'm gonna live forever now

Dream of angels and sunshine
rivers of red wine and orange peel blue
Dream of angels and sunshine
of rivers of red wine and orange peel blue
dreaming of you
