I've spent a lifetime making up my mind to be  
More than the measure of what I thought others could  
see  
Good luck and fast bucks are too far and too few  
between  
For Cadillac buyers and old five and dimers like me

She stood beside me letting me know she would be  
Something to lean on when everything ran out on me  
Fenced yards ain't hole cards and like as not never will  
be  
Reason for rhymers and old five and dimers like me

It's taking me so long and now that I know I believe  
All that I do or say is all I ever will be  
Too far and too high and too deep ain't too much to be  
Too much ain't enough for old five and dimers like me

Yeah, an old five and dimer is all I really meant to be
