we're anti-symetric, we hate it.  
we've made up our minds.  
we won't even debate it.  
1 3 or 5, but not 2 or 4.  
so do it. do it. don't talk anymore.

odd is our god, so keep it uneven.  
our talents imbalanced, it's what we belive in.  
you like what your hearing, so take off one earring.  
you like what we say, so do it our way.

asymmetric. asymmetric.

we're anti-symetric. despise it.  
don't question what we think, and don't analysize it.  
1, 3, or 5, but not 2, or 4, and we shall disscuse it no  
more.

odd is our god, we hate what is even.  
our talents, imbalanced, it's all we belive in.  
there's no us or them. no we, only you.  
we're all born alone and we die that way to.

asymmetric. asymmetric.

if our friend of fashion is lacking in passion.  
what you could achive by removing ones sleeve.  
the same goes for hair, so sit down in the chair.  
let one of your eyes hide, and cut only one side.  
nature is boring, it has to be battled.  
gauges restoring us have to be rattled.  
delete all the 2's from the language we use.  
and join our new movement of social improvment.

asymmetric. asymmetric. asymmetric. asymmetric.

1, 3, or 5. 1, 3, or 5.

we're asymmetrical. we're asymmetrical.  
we're asymmetrical. we're asymmetrical.  
we're asymmetrical. (asymmetrical).

we're asymmetrical. (asymmetrical).  
we're asymmetrical. (asymmetrical).  
we're asymmetrical. (asymmetrical).  
we're asymmetrical. (aysemmetic).  
we're asymmetrical. (asymmetrical).  
we're asymmetrical. (asymmetrical).  
we're asymmetrical. (asymmetrical).  
we're asymmetrical. (aysemmetric).  
we're asymmetrical. (asymmetrical).  
we're asymmetrical. (asymmetrical).  
we're asymmetrical.

asymmetrical. asymmetrical.  
asymmetrical. asymmetrical.  
asymmetrical. asymmetrical.  
asymmetrical. asymmetrical.  
asymmetrical.
