Look at you with your new wave haircut  
Check you out with your airbrush make up  
Look at you. Check you out.  
Look at you with your white mesh half shirt.  
Check you out with your spandex mini skirt.  
Look at you. Check you out.  
And what's the deal with that hot shit head toss?  
What the fuck. Is that hot pink lip gloss?  
What's the deal?  
What the fuck.  
You make me sick.  
Yeah Right.

Your such a black lacquer table  
Excuse me? You sure talk a lot.  
Well your as fake as a... beauty shop magel  
Admit it. You want what I got,  
You've got invisible fangs and terry nun bangs, your  
erotic caberet is non stop.  
Your wearing too many belts, and I bet they leave welts.  
Shut up and dance 'cause I wanna pop.

Get over here.

I Know what you want.

Yeah? yeah.

Look at you with your teenage hard on.  
Check you out with your black lace bra on.  
Look at you.  
Check you out.

Look at you with you mouth on my tit.  
Check you out with your hand on my dick.  
Look at you.  
Check you out.  
Yeahhh...

Look at you with my hand down your pants.  
Check you out getting fucked while we dance.  
Look at you.

Check you out.

Fucking on the dance floor  
Fucking on the dance floor  
Everybody's fucking.  
Fucking on the dance floor.  
(Repeat again 3 times)

Dance floor.  
(Repeat again 11 times)
