I have been out of my head  
Hangin' on by a thread  
To the world I'm missin'

Did I fall asleep at the wheel  
Get the looks that could kill  
'Cos I'm not listenin'  
'Cos I'm not listenin'

There must be a better way  
There must be a way to change  
All of us were scared to say  
So this is all or nothin'

Never know what the future will bring  
Leave the past, 'cos it don't mean a thing  
So this is all or nothin'

Never know what the future will bring  
Leave the past, 'cos it don't mean a thing  
So this is all or nothin'

Did I beat myself up again  
Hide it all from my friends  
Can you hear them whisperin'

There must be a better way  
There must be a way to change  
All of us were scared to say  
So this is all or nothin'

Never know what the future will bring  
Leave the past, 'cos it don't mean a thing  
So this is all or nothin'

Never know what the future will bring  
Leave the past, 'cos it don't mean a thing  
So this is all or nothin'  
So this is all or nothin'

Never know what the future will bring  
Never know what the future will bring

Never know what the future will bring

Never know what the future will bring  
Never know what the future will bring  
It don't mean a thing

Never know what the future will bring  
Never know what the future will bring  
Never know what the future will bring

Never know what the future will bring  
'Cos it don't mean a thing  
'Cos it don't mean a thing

'Cos it don't mean a thing  
'Cos it don't mean a thing  
'Cos it don't mean a thing  
Never know what the future will bring
