You

You
Still a whisper on my lips
A feeling at my fingertips
That's pulling at my skin

You
Leave me when I'm at my worst
Feeling as if I've been cursed
Bitter cold within

Days go by
And still I think of you
Days when I couldn't live my life without you

Days go by
And still I think of you
Days when I couldn't live my life without you
Without you
Without you

You
Still a whisper on my lips
Feeling at my fingertips
That's pulling at my skin

You
Leave me when I'm at my worst
Feeling as if I've been cursed
Bitter cold within

Days go by

And still I think of you
Days when I couldn't live my life without you
Without you
Without you

Days go by
And still I think of you
Days when I couldn't live my life without you

Days go by
And still I think of you
Days when I couldn't live my life without you
Without you
Without you
Without you
Without you

Days go by
Days go by
Days go by
Days go by
Days go by
Days go by
