Big world
Says he wants to see the light for once,
Well maybe if you try

It's so sad
Babe don't look so sad
I've got it wrong today

And if she doesn't go your way
Look up to blue skies and say hey
It's ok it's ok

Big world
Says he wants to see the light for once,
Well maybe if you try

It's so sad
Babe don't look so sad
I've got it wrong today
Wrong today
And if she doesn't go your way
Look up to blue skies and say hey
It's ok it's ok

Big world
Says he wants to see the light for once,
Well maybe if you try

It's so sad
Babe don't look so sad
I've got it wrong today

Says he wants to see the light for once,
Well maybe if you try

It's so sad
Babe don't look so sad
I've got it wrong today
