Verse:

Time's running out  
Come here, grab here, feel here cause  
Time's running out  
He might get here before we're done. Get undone  
Oh Minnie grab my mouse

Clothes flying by  
You strip me off and all my  
Clothes' flying by  
The music's loud nobody can hear us out  
It's time to take it south

Pre-Chorus:

Come whisper in my ear dame mas por favor  
Don't get too shy on me, groan, moan take it till you

Chorus:

Come come... in my sinful heaven  
Come you won't regret it  
I'll make it last forever  
Babe don't stop... Ah ah!

Verse 2:

Fast and then slow  
That's how you like it  
Take it deep take it low  
It's exercising how we breath how we uh!  
You dirty dirty girl

Bridge:

There in your eyes I see the truth  
You want me, you crave me, you can't let go  
Give in to me, I'll give in too  
Let's live the moment while it lasts  
Behind this door awaits for you  
He loves you, adores you, he'll take you home

But you will crave my name again and again and again
