Verse:

I feel your green eyed monster  
And it's hunting me down  
You keep smiling and talking  
But I can't hear a sound

Pre-Chorus:

I've got you under my spell so surrender to me  
Trash me, love me, hate me, don't give a damn  
No, no, no don't try to fight cuz you cannot break free  
Kiss me, stab me, hug me, cuz now you're mine

Chorus:

I'm SANCTIFIED  
Get on your knees beg for mercy and cry  
Confess that I am SANCTIFIED  
I'm SANCTIFIED  
Bow down to my holy power or die  
Confess that I am SANCTIFIED

Verse:

I watch you grinding on the floor  
Knock knock let me in  
You hold my weapon so tight girl  
You're burning my skin

Pre-Chorus:

I'm gonna put you through hell, torture you in my bed  
Gag me, taste me, beat me, you must obey  
Danger's lurking all around while I'm giving you head  
Hold me, bite me, please me, you can't escape

Bridge:

No, you cannot beat me at this game  
Cuz I'm too good at it, you can't win  
Baby I'm the drug inside your brain

Chasing demons like you, deadly sin
