There's blood on the sidewalk  
From someone I don't know  
I step around it  
So I won't get it on my shoe

On my way to work in Washington  
On my way to work in Washington  
On my way to work in Washington, DC

My name is America, but I pronounced it George  
Some people think I'm rich  
But I am mostly poor  
And I cover it up to get you to fight in my war

The truth is  
I am my own enemy  
But I'll buy anything  
You advertise on TV

On my way to work in Washington  
On my way to work in Washington  
On my way to work in Washington, DC

Gotta make it look good  
Gotta make it look good  
Gotta make it look good

Every Friday, Karen and Katy  
Go to take care of babies with aids  
Who were born like their mothers  
Addicted to crack

Drinking their bottles  
Lying on their backs  
Just like their fathers  
Mom ain't coming back

On my way to work in Washington  
On my way to work in Washington  
On my way to work in Washington, DC

Gotta make it look good  
Gotta make it look good  
Gotta make it look good

Gotta make it look good  
Gotta make it look good  
Gotta make it look good

There's blood on the sidewalk  
From someone I might know  
Should I step around it  
So I won't get it on my soul

On my way to work in Washington  
On my way to work in Washington  
On my way to work in Washington, DC

Gotta make it look good  
Gotta make it look good  
Gotta make it look good
