

Disarmonia Mundi "Structural Wound"

Visit "[Structural Wound](#)" on MotoLyrics.com

Wanna push it to the top wanna see how damn
downward you can go
This is where it all begins could as well be my last time
for real

Never wanted to know, never wanted to see better
open your eyes 'cause I'm breaking free
Yeah, I'm breaking free

All your sorrow looks so hollow no, I don't need your
words of advice anymore
You're cheating, you're deceiving put the blame on me
for things I don't even know

Fade away feeling almost dead inside - just tear it
apart
Fade away fallin' off a shoreless lie - this time the
wound is structural

I know how you feel know it too well the same old look,
you ain't changed yet
But trust my words you ain't seen nothing at all wanna
drag you down

Where you brought me wanna quench your thirst with
the worst disease
Yeah, I'm your disease

All your sorrow looks so hollow no, I don't need your
words of advice anymore
You're cheating, you're deceiving put the blame on me
for things I don't even know

(Now I'm awake)

There ain't a reason to justify your denial and now I see
things how they are
Fed up with treasons, my life from yours I divide for all
my dreams are torn apart

One day we'll meet again farewell, why pretend?
See you at the bitter end don't need this curse anymore

Fade away feeling almost dead inside - just tear it
apart
Fade away fallin' off a shoreless lie - this time the
wound is structural
